

Meet Your L&D Dream Team. No Headcount Required.

Spirall by LCvista provides managed L&D services to help you grow your people and your firm faster and more cost-effectively.

Think of us as the big-firm L&D function you wish you had in-house.

- ✓ **Strategy:** Expert planning tailored to your firm
- ✓ **Content:** Technical + success skills courses built for accounting
- ✓ **Operations:** LCvista administration, CPE tracking, learning paths, vendor management

Why developing talent feels harder than ever

- ↳ Limited internal L&D resources
- ↳ Lack of a proven plan to grow your people
- ↳ Disengaged learners
- ↳ Too many learning vendors to manage
- ↳ Ineffective training

Danielle McCormick started Spirall to make L&D easier. Today, it's part of the LCvista family, bringing more firms the expertise and bandwidth they need to thrive.

Tailored to the accounting profession

150 years of combined L&D experience

3642+ professionals trained

162,380 hours of CPE issued

“The future of our firm is dependent on the success of our people and our partnership with Spirall is a key to that success.”
